Dangerous Territory: My Misguided Quest to Save the World By Amy Peterson

Amy Peterson grew up in church, where she loved the adventurous stories of missionaries in foreign countries who won people to the Lord. After college, she was ready to “do big things for God” on the mission field herself. *Dangerous Territory* is a captivating memoir that tells Amy’s personal journey from wide-eyed adventurer to questioning believer to simply a beloved child of God. Her story will challenge your notion of “mission work,” showing how you can have a vital relationship with God that naturally spills over to affect others.

Editorial Review

Review

"Peterson is a thoughtful writer whose honest prose will appeal to any readers wanting to align themselves with God's will, whether in a foreign land or at home."

(Publishers Weekly starred review)

"Amy Peterson's wise and provocative words should be required reading for any Christian about to immerse herself in another culture or community."

(Lauren F. Winner, author of *Girl Meets God* and *Wearing God*)

"Peterson's thoughtful and vulnerable exploration of her missionary experiences urges us to peel away the layers. To learn, finally, what it is to rest in our own Belovedness."

(Addie Zierman, author of *Night Driving* and *When We Were on Fire*)

"Amy's is a story of a life broken open and remade: imperfectly, beautifully. We need more brave stories like hers."

(Micha Boyett, author of *Found: A Story of Questions, Grace, & Everyday Prayer*)

"There is a disarming determination in these pages not to let Christian faith go until its blessings are known and felt."

(Wesley Hill, Assistant Professor of Biblical Studies at Trinity School for Ministry and author of *Spiritual Friendship*)

"*Dangerous Territory* is a must-read for anyone, like myself, who longs to be a part of the global story of God's coming kingdom. Here, Peterson unpacks the layers of the traditional missionary narrative in ways that are subversive, profound, and ultimately hopeful."

(D. L. Mayfield, author of *Assimilate or Go Home: Notes from a Failed Missionary on Rediscovering Faith*)

"Do not read this book if you are content with safe categories, messiah complexes, or serving God as a way to serve yourself. Do read this book if you want to wrestle with a God who works outside our boxes and humbles us in the process. By sharing so freely from her own life, Peterson gives us the opportunity to invite His work into ours. Simultaneously devastating and comforting, *Dangerous Territory* calls us beyond our simplistic notions of commitment to God to a place of full surrender."

(Hannah Anderson, author of *Humble Roots: How Humility Grounds and Nourishes Your Soul*)

"Amy Peterson's *Dangerous Territory* is too honest to indulge the hero façade and too authentic to avoid the unresolved questions. But real stories are like that. If you want to read a real story, a well-told story, a story where shallow Christian missionary triumphalism is replaced by the messy, unresolved, and sometimes tragic life of faith, then read this story. In *Dangerous Territory* we set aside our adolescent faith with its tidy answers and clean endings, and we take up an adult faith; a faith with real risk, real loss, real questions, and God's presence on the other side of pain."

(Scott Bessenecker, author and Interim Director of Missions, InterVarsity Christian Fellowship)

"In this book Amy Peterson opens up her messy, ordinary, and beautiful life to let us see what it meant for

her to go from a young woman wrapped in the mythology of missionary heroes, through dark days of disillusionment, into a deeper, more grounded understanding of faith and calling."

(Brian M. Howell, Professor of Anthropology, Wheaton College)

"Amy Peterson's writing is vulnerable and beautiful, and she is a good companion for Christians in search of an earthy, ordinary faith."

(Michael Cospers, founder and director of Harbor Media and author of Recapturing the Wonder)

From the Back Cover

"I can't tell you the name of the country where I worked. My students and friends, whose names have been changed in this book, remain under police surveillance because of the story I'm about to tell you." --from chapter 1

Make a difference. Do big things for God. Change the world. You'll hear slogans like these at retreats and concerts, inspiring you to Christian service. But what happens when inspiration meets reality?

Growing up in a Christian home, Amy Peterson was enamored by missionaries—the heavenly heroes. By the time she graduated from college, she was ready to set the world on fire. Seeking her own adventure and desiring to share her Savior, she landed in Southeast Asia to teach English and share Christ privately. God used both incredible miracles and heartbreaking disillusionment to demonstrate that Amy's surrendering to Him was more important than anything she could "do" for Him.

"No verse in my New Testament asked me to make a difference. According to Jesus, I wasn't supposed to try to be 'salt and light' to a desperate world; I already was. It wasn't something to do; it was the very identity I'd been given," writes Amy.

Part spiritual memoir, part travelogue, and part love story, Amy's captivating tale of learning to live her faith will encourage you as you find your place in this world.

About the Author

Amy Peterson is a writer, English as a second language instructor, and assistant director of honors programming at Taylor University. She has a master's degree in missions and intercultural studies from Wheaton College, and has used it to work with people from more than a dozen countries. Amy lives with her fellow adventurer husband and their two children on two acres of Indiana farmland. Read more of Amy's writing on her blog, amypeterson.net.

Users Review
