Fitness Management By Stephen J. Tharrett, James A. Peterson

Fitness industry specialists Stephen Tharrett and James Peterson present an updated edition to the most comprehensive blueprint ever created for developing, leading, managing, and operating a successful health/fitness business. The book is separated into ten distinct sections representing the primary skill sets needed to succeed as a leader and manager in the health/fitness club industry.

Each section contains these and other key topics: Introduction to the Health/Fitness Industry (history, beliefs and behaviors, and consumer attitudes); Membership in the Health/Fitness Club Industry (value of membership and membership retention, variables known to influence attrition and retention, creating and defining positive club-based expediencies, defining and creating a service culture, and programming for health/fitness clubs); The Health/Fitness Club Business (legal business structure, business operating models, getting started, financial models and tools, budgeting, forecasting, driving profitability, buying, leasing, selling, and raising capital); Staffing Issues in the Health/Fitness Club Industry (employees versus independent contractors, compensations, benefits, education and skill competency, organizational alignment and structure, and team building and recruitment); Facilities and Equipment in the Health/Fitness Club Industry (types of facilities, design and construction process and associated costs, cardiovascular, selectorized/variable resistance, free-weight, and purchase or lease equipment); Operational Practices in the Health/Fitness Club Industry (risk management, AEDs, operating practice, front-desk, child-care, fitness, aquatics, tennis, locker rooms, laundry, housecleaning, accounting, types of spas, spa facilities and spa staff, sports-conditioning and sports-performance industry, sport participation, injury, and conditioning for youth, and the essential components of a sports-performance center); Overview of the International Health/Fitness Club Market (Asia, Europe, and Latin America); Also includes sections on the future of the health/fitness club industry and case studies

Editorial Review

About the Author

Stephen J. Tharrett, MS, is currently the owner and president of Club Industry Consulting, a global consulting business established in 2006 as well as a partner in Club Intel, a global firm focused on market research and the engagement of customers and members. He is the author or co-author of four management textbooks including Fitness Management, Third Edition and is also the co-editor of ACSM's Health/ Fitness Facility Standards and Guidelines, Fourth Edition. Tharrett is a former president of IHRSA, having served as president of the international association from 1996 1997.

James A. Peterson, Ph.D., FACSM, is a sports medicine consultant and freelance writer who has authored or co-authored over 80 books and more than 200 published articles on a variety of coaching- and health-related subjects. Among the books he has co-authored is Bill Walsh: Finding the Winning Edge with Bill Walsh and Brian Billick. A 1966 graduate of the University of California at Berkeley, he is a fellow of the American College of Sports Medicine. Jim was a faculty member at the United States Military Academy at West Point from 1971-1990. From 1990 to 1995, he served as the director of sports medicine for StairMaster Sports/Medical Products, Inc. Since 1997, he has been a contributing editor to ACSM's Health & Fitness Journal (Take 10 column). He has appeared on several national television shows, including ABC's Good Morning America, the CBS Evening News, and ABC's Nightline. Since 1992, he has served as a fundraiser for the Make-A-Wish Foundation®. Jim and his wife, Sue, reside in Monterey, California.

Users Review

From reader reviews:

Robbie Stamant:

Do you have favorite book? If you have, what is your favorite's book? Book is very important thing for us to understand everything in the world. Each e-book has different aim or goal; it means that publication has different type. Some people really feel enjoy to spend their time for you to read a book. They are really reading whatever they get because their hobby will be reading a book. Consider the person who don't like reading a book? Sometime, individual feel need book if they found difficult problem or even exercise. Well, probably you will need this Fitness Management.

Rebecca Lopez:

A lot of people always spent all their free time to vacation or perhaps go to the outside with them family members or their friend. Did you know? Many a lot of people spent they free time just watching TV, as well as playing video games all day long. If you want to try to find a new activity honestly, that is look different you can read any book. It is really fun for you. If you enjoy the book that you just read you can spent all day long to reading a e-book. The book Fitness Management it is rather good to read. There are a lot of people that recommended this book. These people were enjoying reading this book. Should you did not have enough space to deliver this book you can buy the particular e-book. You can m0ore quickly to read this book out of your smart phone. The price is not to cover but this book provides high quality.

Emanuel Douglas:

Reading can be called brain hangout, why? Because if you are reading a book specifically book entitled Fitness Management the mind will drift away through every dimension, wandering in each and every aspect that maybe not known for but surely can become your mind friends. Imaging every single word written in a guide then become one contact from conclusion and explanation which maybe you never get just before. The Fitness Management giving you another experience more than blown away your head but also giving you useful facts for your better life with this era. So now let us teach you the relaxing pattern the following is your body and mind is going to be pleased when you are finished reading it, like winning a casino game. Do you want to try this extraordinary shelling out spare time activity?

Ricky Bodkin:

That publication can make you to feel relax. This particular book Fitness Management was bright colored and of course has pictures on there. As we know that book Fitness Management has many kinds or genre. Start from kids until teenagers. For example Naruto or Investigator Conan you can read and feel that you are the character on there. Therefore, not at all of book are generally make you bored, any it offers you feel happy, fun and relax. Try to choose the best book for you personally and try to like reading that.
