Persuading Annie By Melissa Nathan

After years as a sweet, good-natured pushover, Annie Markham has had to face up to three hard truths:

1. You've got to be tough to succeed in business and romance.
2. Sometimes your meddling loved ones are right about your worthless, no-good boyfriend being worthless and no good.
3. The only reliable thing about men is that they're totally unreliable.

Okay, she's been persuaded. So now, seven years after wisely and abruptly dumping the "love of her life," Jake Mead, things should be going better for Annie Markham, right? Unfortunately, her life's going nowhere, her family's going mental, and the family business is heading straight down the tubes. Could it get worse? Of course! Jake's back, Annie's getting ready for bankruptcy, and no one's ready for Christmas ... let alone a happy New Year.

And no amount of persuasion will ever convince Annie that magic does happen and dreams do come true, not even at the stroke of midnight on December 31 at New York's Plaza Hotel ... will it?

Editorial Review

From [Booklist](#)

Annie Markham is trapped in a fairy tale existence complete with a narcissistic family and a godmother, but her prince turns out to be a toad. At 19, Jake Mead was her true love until her godmother Susannah stepped in and Jake ran away. Now, seven years later, Annie's wealthy family is heading toward bankruptcy, and Susannah brings in the best consultant in England to rescue their London public relations agency. The wunderkind turns out to be Jake, who is out for revenge. Annie spends her time working, something unheard of in her family, and doing good deeds while trying to avoid Jake. Both Annie and Jake are actively seeking relationships, but their thoughts keep turning back to each other. Fun and interesting multidimensional characters populate this very charming story that proves that a prince cum toad can eventually turn back into a prince and rescue the princess from her relatives. A truly enjoyable read that should increase Nathan's popularity across the pond. *Patty Engelmann*

Review

“Irresistible moments ensure that *Persuading Annie* scores as entertainment.”

About the Author

Melissa Nathan was born and raised in Hertfordshire and now lives in North London with her husband. A journalist for ten years, she writes novels full time and is the acclaimed author of *The Nanny* and *Pride, Prejudice and Jasmin Field*.

Users Review

From reader reviews:

Bryan Smith:

As people who live in often the modest era should be upgrade about what going on or information even knowledge to make these people keep up with the era and that is always change and move forward. Some of you maybe will certainly update themselves by reading through books. It is a good choice for you but the problems coming to you is you don't know what one you should start with. This *Persuading Annie* is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and need in this era.

Michael Kelly:

Nowadays reading books become more and more than want or need but also turn into a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge the actual information inside the book which improve your knowledge and information. The data you get based on what kind of reserve you read, if you want attract knowledge just go with knowledge books but if you want experience happy read one together with theme for entertaining for example comic or novel. The actual *Persuading Annie* is kind of publication which is giving the reader unforeseen experience.

David Otten:

Reading a e-book tends to be new life style in this era globalization. With reading through you can get a lot of information which will give you benefit in your life. Using book everyone in this world can certainly share their idea. Textbooks can also inspire a lot of people. A lot of author can inspire their reader with their story or their experience. Not only situation that share in the publications. But also they write about the ability about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors on this planet always try to improve their skill in writing, they also doing some investigation before they write to the book. One of them is this Persuading Annie.

Charles Melendez:

Are you kind of occupied person, only have 10 or perhaps 15 minute in your time to upgrading your mind skill or thinking skill even analytical thinking? Then you have problem with the book when compared with can satisfy your limited time to read it because all this time you only find guide that need more time to be examine. Persuading Annie can be your answer mainly because it can be read by you who have those short free time problems.
