## William Morris: Father of Modern Design and Pattern (Japanese, Japanese and Japanese Edition) By Hiroshi Unno

William Morris (1834 - 1896) was an English textile designer, artist, writer, and even a libertarian socialist. His flower patterns are well-known worldwide, but his other design works such as editorial and font design are also worth watching and appreciating. This book presents not only his textile patterns but also book design, font design, posters, stamps and various artworks including painting, all of which will become precious reference for designers as well as for art lovers.
