A World Without Heroes (Beyonders Book 1) By Brandon Mull

Jason tumbles into a quest to save a magical in this #1 New York Times bestselling start to Brandon Mull's Beyonders fantasy series.

Jason Walker has often wished his life could be a bit less predictable—until a routine day at the zoo ends with Jason suddenly transporting from the hippo tank to a place unlike anything he's ever seen. In the past, the people of Lyrian welcomed visitors from the Beyond, but attitudes have changed since the wizard emperor Maldor rose to power. The brave resistors who opposed the emperor have been bought off or broken, leaving a realm where fear and suspicion prevail.

In his search for a way home, Jason meets Rachel, who was also mysteriously drawn to Lyrian from our world. With the help of a few scattered rebels, Jason and Rachel become entangled in a quest to piece together the word of power that can destroy the emperor and learn that their best hope to find a way home will be to save this world without heroes.

Editorial Review

Amazon.com Review

Amazon Best Books of the Month, March 2011: The first book in a new series (Beyonders), *A World Without Heroes* is an addictive blend of fantasy, humor, and heroic quest. Jason is an ordinary 13-year-old involuntarily transported to Lyrian, a world ruled by the evil wizard Maldor. Jason stumbles across a book bound with human skin and learns of a secret word with the power to unmake Maldor--knowledge that puts Jason in grave danger. Galloran, a blind king who once searched for the word himself, introduces Jason to Rachel, another Beyonder (as people from Earth are called) who had appeared in Lyrian at the same time. Jason and Rachel set out to retrieve the word, and the resulting pages are filled with adventure, drama, loyalty and betrayal—a treat for fans of Mull's Fablehaven series or those discovering this bestselling author for the first time.--*Seira Wilson*

From Booklist

Best known as the author of the popular Fablehaven series, Mull offers a new fantasy adventure, in which Jason and Rachel, two American kids, are separately drawn into an alternate world called Lyrian. They want to return home, but they don't know how. Aided by Rachel, the Blind King, and other allies, 13-year-old Jason undertakes a quest to discover the magical word needed to overthrow Maldor, Lyrian's evil emperor. The two teens set out to find the word's closely guarded syllables while thwarting the maneuvers of Maldor's crafty, vicious minions. Headlong adventure scenes, inventively conceived creatures, and surprising plot twists all figure into the mix as Jason and Rachel make their way through this treacherous world. The book's conclusion is not so much an ending as a respite before the beginning of the sequel. Readers seeking character-driven fiction should look elsewhere, but those drawn to long, action-filled fantasies may want to try Mull's latest. Grades 4-7. --Carolyn Phelan

Review

"Brandon Mull is a wizard with words. With Beyonders, he has conjured one of the most original fantasies I've read in years—an irresistible mix of adventure, humor, and magic." —Rick Riordan, author of the *Percy Jackson and the Olympians* series

"Mull elevates the genre, pairing humorous and imaginative scenarios with intelligence and well-written dialogue . . . With "Beyonders," Mull has taken the tried-and-true quest genre and reinvigorated it with a dense but extremely well-written follow-up to his bestselling "Fablehaven" series."

--Los Angeles Times
