## **American Pie: My Search for the Perfect Pizza** By Peter Reinhart

Peter Reinhart's last book, *THE BREAD BAKER'S APPRENTICE*, was named Cookbook of the Year by both the James Beard Foundation and the International Association of Culinary Professionals.

Reviews“Peter Reinhart has taken a deep look into pizza, one of the best and simplest of foods, embracing all its variety. He probes American pizza especially, but he has tasted the original in Naples and visited elsewhere in Italy to learn about variations and relatives. He tells vivid stories, and his recipes and techniques are thorough and practical. A splendid book.”—Edward Behr, editor, *The Art of Eating*“I doubt whether anyone else could be as passionate as Peter Reinhart about pizzas or have made such extensive and exciting journeys in pursuing them. He has collected great anecdotes and wonderfully detailed recipes in the course of his intercontinental hunt.”—Alan Davidson, author of *The Oxford Companion to Food*“We all know that Peter Reinhart is a great baker and teacher, but now that he's fallen in love with pizza, we can see he's also a great tour guide as he takes us to the best pizzerias in Italy and America. Secrets are divulged, expert tips provided, and stories told. Much more than a collection of recipes, this is a book that is as fun to read as it is to bake from.”—Carol Field, author of *The Italian Baker*

Editorial ReviewAmazon.com Review

Baking bread is mysterious enough. But creating truly great pizza--the transformation of next to nothing into something extraordinary--is downright alchemical. It is for no small reason that there are distinct words in Italian for those disciples of these mystic arts who bake pizza and focaccia, *pizzaiolo* and *focacciaiolo*. Peter Reinhart, he who gave us *Brother Juniper's Bread Book* and the multi-award winning *The Bread Baker's Apprentice*, takes the reader of *American Pie: My Search for the Perfect Pizza* right into the heart of the matter. Reinhart begins his inquiry into pizza with his baseline palate memory for what a great pizza should be. As a teenager he had worked in a pizzeria, Mama's, and instinctively knew this pie to be the best. Returning as an adult years later, he discovered otherwise. Had he changed, or had the pizza changed? Both, it happened, were true. So what is the nature of perfection, and where do you go to find it? In the case of Peter Reinhart, this journey includes travels through Italy and across the US. This is Part One of the book, called The Hunt. It's not the most enlivening travel writing, which would have helped elevate the insights into the nature of great pizza and the people who make it happen. But it's only a third of the entire package. The best is yet to come. In Part Two: The Recipes, Reinhart comes entirely into his own. Here is the master at work. Chapters include "The Family of Doughs", "Sauces and Specialty Toppings," and "The Pizzas." Reinhart gives you the building blocks, no matter what your kitchen, tools, and oven might be like. And then he unfolds the roadmap--pizzas from the strictly classical to the strictly whimsical. Work diligently with *American Pie* and in time you will be able to call yourself, without hesitation or rising color, *pizzaiolo* and *focacciaiolo*. --Schuyler Ingle From the Publisher

A fascinating look into the great pizzas and pizzerias of Italy and America. Includes in-depth pizza-making techniques; more than 40 classic pizza recipes; and an engaging narrative of Reinhart's pizza hunts with such food luminaries as Rick Bayless, Jeffrey Steingarten, and Joanne Weir. Peter Reinhart's last book, THE BREAD BAKER'S APPRENTICE, was named Cookbook of the Year by both the James Beard Foundation and the International Association of Culinary Professionals. About the Author

PETER REINHART is a full-time baking instructor at Johnson and Wales University in Charlotte, North Carolina. He was the cofounder of the legendary Brother Juniper's Bakery in Santa Rosa, California, and is the author of six books on bread baking, including Brother Juniper's Bread Book and the 2002 James Beard and IACP Book of the Year, The Bread Baker's Apprentice. Users Review
