## Continuity and Change in Contemporary Capitalism (Cambridge Studies in Comparative Politics) From Brand: Cambridge University Press

Capitalist democracies have always displayed considerable diversity in their key political and economic institutions, such as the organization of economic interest groups and private enterprises, the public sector and the welfare state, as well as political parties and social movements. This book asks whether the challenges of new technologies, citizens' preferences, and growing political and economic interdependence in the 1980s and 1990s force all polities to adopt similar institutional reforms. The authors argue that established arrangements have become difficult to sustain, but that countries choose unique trajectories of reform, not a common approach. The diversity among capitalist democracies persists in a new fashion.

### **Editorial Review**

#### **Review**

"This book represents an intellectual tour de force in the field of comparative political economy, and brings together several distinguished scholars to analyze and update the transformation of advanced capitalist democracies in the 1990s. I strongly recommend it for graduate and advanced undergraduate courses on the political economy of advanced capitalist democracies." Shah Tarzi, ECSA Review

### **Users Review**

#### **From reader reviews:**

##### **Virginia Smith:**

Reading a book can be one of a lot of activity that everyone in the world loves. Do you like reading book so. There are a lot of reasons why people enjoyed.
