### **Editorial Review**

From the Author

As I was attempting to create this book, I had so much that I wanted to tell you. I wanted to tell you how magical coloring can be, how wonderful it is to see those bright colors splash onto your page and how thrilling it is to see your finished masterpiece. But most of all I wanted to tell you that I hope the shapes, the curves, the flowers and the swirls in each drawing of this coloring book can bring you comfort on those days when life seems unbearable. I hope you enjoy coloring the pages in this book as much as I enjoyed creating them for you! " ~ Kathy
