In Search of the Rose Notes: A Novel By Emily Arsenault

“A very clever wordsmith.”

—*New York Times Book Review*

“When Emily Arsenault was growing up, a teacher told the fifth-grader she was very good at writing. Give that teacher an A.”

—*Hartford Courant*

Emily Arsenault’s compelling debut, *Broken Teaglass*, was resoundingly praised (“Quirky and inventive...meets all the definitions of a good read.”—*Richmond Times-Dispatch*). With her intelligent, complex, and ingeniously crafted sophomore offering, *In Search of the Rose Notes*, Arsenault validates her standing as an exhilarating new voice in contemporary fiction. A moody and engrossing mystery, *In Search of the Rose Notes* follows two best friends from childhood who once unsuccessfully investigated the disappearance of their teenage babysitter, and now, in their twenties, attempt once again to uncover the truth. Readers who love the literary, female focused mysteries of Laura Lippman, Tana French, and Jennifer McMahon will be thrilled to add Emily Arsenault to their must-read lists.

Editorial Review

Review

...a compelling psychological mystery, told from the alternating point of view of the 20-something narrator and her confused preteen self. ... Instead of dwelling on fear and pain, Arsenault guides the reader through grief, compassion, and understanding in this emotionally complex and deeply satisfying read. (Publishers Weekly (starred review))

Emily Arsenault's absorbing second book, "In Search of the Rose Notes," is at least as much a novel as a detective story.... Ms. Arsenault here reveals strange truths beneath everyday surfaces and shows that truth sometimes isn't all that strange. (Wall Street Journal)

From the Back Cover

Eleven-year-olds Nora and Charlotte were best friends. When their teenage babysitter, Rose, disappeared under mysterious circumstances, the girls decided to "investigate." But their search—aided by paranormal theories and techniques gleaned from old Time-Life books—went nowhere.

Years later, Nora, now in her late twenties, is drawn back to her old neighborhood—and to her estranged friend—when Rose's remains are finally discovered. Upset over their earlier failure to solve the possible murder, Charlotte is adamant that they join forces and try again. But Nora was the last known person to see Rose alive, and she's not ready to revisit her troubled adolescence and the events surrounding the disappearance—or face the disturbing secrets that are already beginning to reemerge.

About the Author

Emily Arsenault is also the author of *The Broken Teaglass*, *In Search of the Rose Notes*, *Miss Me When I'm Gone*, and *What Strange Creatures*. She lives in Shelburne Falls, Massachusetts, with her husband and daughter.

Users Review

From reader reviews:

Richard Holeman:
