Operation Gatekeeper and Beyond: The War On "Illegals" and the Remaking of the U.S. – Mexico Boundary By Joseph Nevins

This is a major revision and update of Nevins' earlier classic and is an ideal text for use with undergraduate students in a wide variety of courses on immigration, transnational issues, and the politics of race, inclusion and exclusion. Not only has the author brought his subject completely up to date, but as a "case" of increasing economic integration and liberalization along with growing immigration control, the US / Mexico Border and its history is put in a wider global context of similar developments elsewhere.

A companion website is available at www.routledge.com/textbooks/9780415996945. The Companion Website contains key U.S. government documents related to the boundary and immigration enforcement strategy; reports from non-partisan research entities and non-governmental organizations that evaluate enforcement from a civil and human rights perspective; and studies that investigate migrant deaths in the U.S.-Mexico borderlands. There are also photo essays, including one related to deportations and another to California's Border Field State Park, for which the site also includes historic photos and other resources. Finally, the site has links to websites—from U.S. government agencies involved in boundary and immigrant policing, to humanitarian and border, migrant, and human rights organizations.

Editorial Review

Review

"The first edition of *Operation Gatekeeper* has been widely influential in migration and border studies. I assign it to all my advanced students, and I think about its provocative arguments often. The second edition goes well beyond brief updating. It provides altogether new considerations and observations, and will prove essential for students and scholars of these issues."?Josiah Heyman, Anthropology, *University of Texas at El Paso*

"*Operation Gatekeeper and Beyond* is essential reading for anyone who wants to understand the complex constellation of social, political, and economic forces that gave rise to the criminalization of undocumented immigrants. Nevins powerfully illustrates how this on-going phenomena is linked to statecraft in an era in which globalization both diminishes and reinforces the sovereignty, power and relevance of the nation-state."?Roxanne Doty, Political Science, *Arizona State University*

"Joe Nevins puts forth a nuanced and path-breaking political history of "illegal migrants." This study holistically examines the growing social divide between those with rights in the US and those denied them, between the privileged and the subordinated and, fundamentally, between the law and the realization of justice. It is a must-read for those seeking a fuller understanding of how the US war against "illegals" is a part of a contemporary system of apartheid."?Nandita Sharma, Ethnic Studies, *University of Hawaii*

"In this updated second edition, Nevins...presents readers with a thorough assessment of the US's ever-evolving immigration policies. ...His analysis is fresh and unique. ...[The book] is well written and should be of interest to a wide variety of geographers, political scientists, economists, and Latin Americanists." ?J. S. Robey, *University of Texas at Brownsville* in *Choice*

About the Author

Joseph Nevins is an associate professor of geography at Vassar College in Poughkeepsie, NY. His writings have appeared in publications such as *The Boston Review*, *Counterpunch.org*, *The International Herald Tribune*, *The Los Angeles Times*, *The Nation*, *The Washington Post*, and *Z Magazine*. His previous books include *A Not-so-Distant Horror: Mass Violence in East Timor*, and *Dying to Live: A Story of U.S. Immigration in an Age of Global Apartheid*.

Users Review

From reader reviews:

Doris Simmons:

Reading a publication tends to be new life style on this era globalization. With looking at you can get a lot of information that could give you benefit in your life. Using book everyone in this world could share their idea. Ebooks can also inspire a lot of people. Plenty of author can inspire their reader with their story as well

as their experience. Not only the storyline that share in the ebooks. But also they write about advantage about something that you need illustration. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors in this world always try to improve their skill in writing, they also doing some exploration before they write with their book. One of them is this Operation Gatekeeper and Beyond: The War On "Illegals" and the Remaking of the U.S. – Mexico Boundary.

Christian Rice:

Precisely why? Because this Operation Gatekeeper and Beyond: The War On "Illegals" and the Remaking of the U.S. – Mexico Boundary is an unordinary book that the inside of the reserve waiting for you to snap the idea but latter it will zap you with the secret that inside. Reading this book adjacent to it was fantastic author who have write the book in such awesome way makes the content on the inside easier to understand, entertaining method but still convey the meaning totally. So , it is good for you because of not hesitating having this any more or you going to regret it. This amazing book will give you a lot of gains than the other book include such as help improving your skill and your critical thinking technique. So , still want to hold off having that book? If I ended up you I will go to the publication store hurriedly.

Eddie Barber:

Reading a book to get new life style in this season; every people loves to examine a book. When you study a book you can get a lots of benefit. When you read books, you can improve your knowledge, mainly because book has a lot of information upon it. The information that you will get depend on what forms of book that you have read. If you need to get information about your analysis, you can read education books, but if you want to entertain yourself look for a fiction books, these kinds of us novel, comics, and soon. The Operation Gatekeeper and Beyond: The War On "Illegals" and the Remaking of the U.S. – Mexico Boundary will give you a new experience in examining a book.

Ralph Pettie:

Many people spending their time frame by playing outside along with friends, fun activity together with family or just watching TV the entire day. You can have new activity to invest your whole day by studying a book. Ugh, ya think reading a book can really hard because you have to bring the book everywhere? It fine you can have the e-book, bringing everywhere you want in your Touch screen phone. Like Operation Gatekeeper and Beyond: The War On "Illegals" and the Remaking of the U.S. – Mexico Boundary which is finding the e-book version. So , why not try out this book? Let's observe.
