## The Collected Letters of C.S. Lewis, Volume 2 By C. S. Lewis

C. S. Lewis was a prolific letter writer, and his personal correspondence reveals much of his private life, reflections, friendships, and the progress of his thought. This second of a three-volume collection contains the letters Lewis wrote after his conversion to Christianity, as he began a lifetime of serious writing. Lewis corresponded with many of the twentieth century's major literary figures, including J. R. R. Tolkien and Dorothy Sayers. Here we encounter a surge of letters in response to a new audience of laypeople who wrote to him after the great success of his BBC radio broadcasts during World War II -- talks that would ultimately become his masterwork, *Mere Christianity*.

Volume II begins with C. S. Lewis writing his first major work of literary history, *The Allegory of Love*, which established him as a scholar with imaginative power. These letters trace his creative journey and recount his new circle of friends, "The Inklings," who meet regularly to share their writing. Tolkien reads aloud chapters of his unfinished *The Lord of the Rings*, while Lewis shares portions of his first novel, *Out of the Silent Planet*. Lewis's weekly letters to his brother, Warnie, away serving in the army during World War II, lead him to begin writing his first spiritual work, *The Problem of Pain*.

After the serialization of *The Screwtape Letters*, the director of religious broadcasting at the BBC approached Lewis and the "Mere Christianity" talks were born. With his new broadcasting career, Lewis was inundated with letters from all over the world. His faithful, thoughtful responses to numerous questions reveal the clarity and wisdom of his theological and intellectual beliefs.

Volume II includes Lewis's correspondence with great writers such as Owen Barfield, Arthur C. Clarke, Sheldon Vanauken, and Dom Bede Griffiths. The letters address many of Lewis's interests -- theology, literary criticism, poetry, fantasy, and children's stories -- as well as reveal his relationships with close friends and family. But what is apparent throughout this volume is how this quiet bachelor professor in England touched the lives of many through an amazing discipline of personal correspondence. Walter Hooper's insightful notes and comprehensive biographical appendix of the correspondents make this an irreplaceable reference for those curious about the life and work of one of the most creative minds of the modern era.

## Editorial Review

### Review

"As we witness Lewis develop we find that these volumes are working as a kind of unconscious autobiography." -- *Books & Culture*

### From the Back Cover

The letters found in Volume II reveal inside accounts of how The Screwtape Letters came to be written, the early meetings of the Inklings (with J.R.R. Tolkien giving readings about "hobbits" and "Middle Earth"), how C. S. Lewis became popular through BBC radio talks, but mostly how this quiet professor in England touched the lives of many through an amazing discipline of personal correspondence.

### About the Author

Clive Staples Lewis (1898-1963) was one of the intellectual giants of the twentieth century and arguably the most influential Christian writer of his day. He was a Fellow and Tutor in English literature at Oxford University until 1954 when he was unanimously elected to the Chair of Medieval and Renaissance English at Cambridge University, a position he held until his retirement. His major contributions in literary criticism, children's literature, fantasy literature, and popular theology brought him international renown and acclaim. He wrote more than thirty books, allowing him to reach a vast audience, and his works continue to attract thousands of new readers every year. His most distinguished and popular accomplishments include *The Chronicles of Narnia*, *Out of the Silent Planet*, *The Four Loves*, *The Screwtape Letters*, and *Mere Christianity*.

---

Clive Staples Lewis (1898-1963) fue uno de los intelectuales más importantes del siglo veinte y podría decirse que fue el escritor cristiano más influyente de su tiempo. Fue profesor particular de literatura inglesa y miembro de la junta de gobierno en la Universidad Oxford hasta 1954, cuando fue nombrado profesor de literatura medieval y renacentista en la Universidad Cambridge, cargo que desempeñó hasta que se jubiló. Sus contribuciones a la crítica literaria, literatura infantil, literatura fantástica y teología popular le trajeron fama y aclamación a nivel internacional. C. S. Lewis escribió más de treinta libros, lo cual le permitió alcanzar una enorme audiencia, y sus obras aún atraen a miles de nuevos lectores cada año. Sus más distinguidas y populares obras incluyen *Las Crónicas de Narnia*, *Los Cuatro Amores*, *Cartas del Diablo a Su Sobrino* y *Mero Cristianismo*.
