## **Editorial Review**

### **Review**

..". worth reading for its broad, insightful analysis."

### **From the Back Cover**

"The Road to War in Serbia is the first serious attempt by scholars from the former Yugoslavia to systematically explore the roots of the conflict and the ideology and propaganda that incited Serbian people to war. Based on years of research, the authors-all eminent scholars of their respective fields, who have lived through these social conflicts-highlight key issues which have date remained unknown or which have been previously neglected."--BOOK JACKET. "The issues dealt with include the institutional frameworks of ethnicity and nationalism; the input of the church, science, literature and sports; specific catalysts of the conflict, and the role of the political actors, students, the ruling party and the media."--BOOK JACKET. "The Road to War in Serbia will help to understand why and how the violent option of settling disputes and conflicts on the territory of Yugoslavia is being accepted."--BOOK JACKET.
