And the Wolves Howled , Fragments of Two Lifetimes By Barbro Karlén

For as long as she can remember, Barbro Karlén has recalled a previous existence as Anne Frank, author of the famous diary. Now, prompted by a series of events that culminated in a struggle for survival, she tells her amazing story.

She takes us from her early fame as a best-selling child literary sensation in her native Sweden to her years as a policewoman and successful horse trainer. But this is no ordinary life history. As the victim of discrimination, personal vendettas, media assassination, libel, and attempted murder, Karlén is eventually shown the karmic background to these events.

Glimpsing fragments of her former life, she begins to understand how forces of destiny reach out from the past into the present, and she is finally free to be herself. This the story of a supernatural struggle for truth in the face of discrimination and lies.

Eight pages of illustrations.

Editorial Review

Review

An extraordinary book ... deserves to be taken seriously -- *International Herald Tribune*

From the Back Cover

'A very thought provoking read! Whether or not she was really Anne Frank in another life, I do not doubt Karlen's sincerity.' Rabbi Yonassan Gershom, author of *Beyond the Ashes* and *From Ashes to Healing*.

For as long as she can remember, Barbro Karlen has harboured terrible memories of a previous existence on earth as the Jewish girl Anne Frank, author of the famous Diary. Until recently, she had kept this knowledge private. Now, prompted by a series of events which culminated in a struggle for her survival, she is ready to tell her amazing story.

And the Wolves Howled is the autobiography of Barbro Karlen, from her early fame as a bestselling child literary sensation in her native Sweden, to her years as a policewoman and a successful dressage rider. But this is no ordinary life history. As the victim of discrimination, personal vendettas, media assassination, libel and attempted murder, Karlen is forced to fight for her very being. In the dramatic conclusion to her living nightmare, she is shown the karmic background to these events. She glimpses fragments of her former life, and begins to understand how forces of destiny reach over from the past into the present. With this knowledge she is finally free to be herself...

And the Wolves Howled is the story of one woman's superhuman struggle for truth in the face of discrimination and lies.

About the Author

Barbro Karlén was born in Sweden in 1954. Her first book, published when she was 12, became the bestselling poetry book of all time in Sweden. Over the next 5 years, 9 further volumes of her prose and poetry were published. She worked as a mounted policewoman for 18 years, and has trained and competed in dressage for over 30 years. She keeps a horse in Surrey, England, and visits regularly for training and competitions.

Users Review
