## **Editorial Review**

### From the Back Cover

*Families, Schools, and Communities: Building Partnerships for Educating Children, 6/e* is a comprehensive, practical guide to establishing collaboration with families and the larger community that focuses on making the learning experience more productive and more positive for all concerned. It gives school teachers, child care teachers, and other professionals the understanding and tools they need to work with family and community members to give children a rich education. This new edition helps students to develop a firm understanding of the context of children's and their families' lives, includes a number of outstanding pedagogical features designed to ensure teaching and learning success, and addresses and highlights areas of critical importance in education today. New features in the sixth edition include:

### **Invigorate learning with the Enhanced Pearson eText**

The Enhanced Pearson eText provides a rich, interactive learning environment designed to improve student mastery of content with the following multimedia features:

- **Embedded videos** enrich the experience with the text by allowing readers to see real teachers in real classrooms, sharing their insights.
- **Check Your Understanding of chapter content.** Exercises matched to chapter learning outcomes help readers apply the concepts and ensure that they master the learning outcomes. Exercises and suggested feedback are provided in the Pearson eText.
- **Internet resources.** Weblinks to further explore content related to the chapter.

### About the Author

**Patricia Scully** has worked in the field of early childhood education in a variety of roles for over 40 years. In addition to teaching in child-care and elementary school settings, she has worked as a child-care center director and as education director of several non-profit agencies. She is currently an associate professor at the University of Maryland Baltimore County where she directs the early childhood program. Her areas of expertise include early literacy, relaxation and stress reduction for children and teachers, and parent and community involvement in education.

**Chandler Barbour** is a retired professor of Education from Towson University now living on an island off the coast of Maine. He worked as a teacher and administrator in elementary schools and universities over a period of 42 years. He is co-author of three different books on teacher and school partnerships.

**Hilary Roberts-King** lives in Baltimore, Maryland and has been an elementary school teacher for over ten years. She is also an adjunct professor at the University of Maryland Baltimore County and Pacific Oaks College where she has developed and taught courses in math processes in early childhood education, early literacy, and child development. Currently she is president of the board of directors for the non-profit Downtown Baltimore Child Care and teaches first grade in a Title I school.

## **Users Review**

### **From reader reviews:**

#### **Alex Thayer:**

Reading a guide can be one of a lot of pastime that everyone in the world enjoys. Do you like reading book so. There are a lot of reasons why people enjoyed. First reading a guide will give you a lot of new info. When you read a e-book you will get new information simply because book is one of several ways to share the information or their idea.
