Editorial Review

Amazon.com Review

Poor, long-suffering Dad deserves a little lift every once in a while, and who better to boost than Dr. Seuss? In this funky pop-up adaptation of the classic *Hop on Pop*, kids do their best to perk up Pop after a bad day. The furry yellow Seuss-critters know "it's best not to HOP on POP," but "we like to hop. / We like to hop / on top of Pop. / STOP!" Other, more human-looking children give their fathers gifts, such as "a set of Slim Jim Swim Fins" (pink, three-toed marvels), violin serenades, and for the man who has everything... "a Bright Dwight Bird-Flight Night-Sight Light." Clever paper engineering livens up this six-spread volume (not that anything by Dr. Seuss ever needed enlivening). Young readers will love making the gleeful characters hop on pop over and over, and will laugh to see the walrus (another less-than-welcome gift) licking one poor daddy's ear. It's hard to say who will enjoy this more: fathers or their well-meaning little urchins. (Ages 3 to 7) --Emilie Coulter

Review

"Combines phonics and word recognition, making sounds and letters recognizable. Highly recommended."—(starred) *School Library Journal*.

Users Review

From reader reviews:

Warren Johnson:

Throughout other case, little folks like to read book Hop on Pop. You can choose the best book if you want reading a book. As long as we know about how is important a new book Hop on Pop. You can add know-how and of course you can around the world by just a book. Absolutely right, mainly because from book you can recognize everything! From your country till foreign or abroad you will be known. About simple factor until wonderful thing you are able to know that. In this era, we are able to open a book or searching by internet device. It is called e-book. You can utilize it when you feel weary to go to the library. Let's examine.

Jamie Sparks:

Reading a book can be one of a lot of exercise that everyone in the world adores. Do you like reading book thus. There are a lot of reasons why people enjoy it. First reading a e-book will give you a lot of new info. When you read a book you will get new information because book is one of many ways to share the information or their idea. Second, examining a book will make you more imaginative. When you examining a book especially fictional book the author will bring you to definitely imagine the story how the figures do it anything. Third, you may share your knowledge to other folks. When you read this Hop on Pop, you may tells your family, friends along with soon about yours book. Your knowledge can inspire average, make them reading a publication.

Leslie Bergeron:

Playing with family in a park, coming to see the ocean world or hanging out with close friends is thing that usually you could have done when you have spare time, subsequently why you don't try thing that really opposite from that. A single activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition of information. Even you love Hop on Pop, you could enjoy both. It is very good combination right, you still want to miss it? What kind of hang-out type is it? Oh can happen its mind hangout men. What? Still don't understand it, oh come on its known as reading friends.

Gail Beattie:

Within this era which is the greater man or woman or who has ability in doing something more are more valuable than other. Do you want to become certainly one of it? It is just simple solution to have that. What you should do is just spending your time almost no but quite enough to enjoy a look at some books. On the list of books in the top collection in your reading list is actually Hop on Pop. This book and that is qualified as The Hungry Hillsides can get you closer in getting precious person. By looking upwards and review this book you can get many advantages.
