The Collected Poems of Rudyard Kipling (Wordsworth Poetry Library) By Rudyard Kipling

This edition of the poetry of Rudyard Kipling (1865-1936) includes all the poems contained in the Definitive Edition of 1940. In his lifetime, Kipling was widely regarded as the unofficial Poet Laureate, and he was awarded the Nobel Prize for Literature in 1907. His poetry is striking for its many rhythms and popular forms of speech, and Kipling was equally at home with dramatic monologues and extended ballads. He is often thought of as glorifying war, militarism, and the British Empire, but an attentive reading of the poems does not confirm that view. This edition reprints George Orwell's hard-hitting account of Kipling's poems, first published in 1942, and generally regarded as one of the most important contributions to critical discussion of Kipling.

Editorial Review

About the Author

Nobel prize-winning writer Rudyard Kipling was born in Bombay, India, but returned with his parents to England at the age of five. Influenced by experiences in both India and England, Kipling's stories celebrate British imperialism and the experience of the British soldier in India. Amongst Kipling's best-known works are *The Jungle Book*, *Just So Stories*, and the poems *Mandalay* and *Gunga Din*. Kipling was the first English-language writer to receive the Nobel prize for literature (1907) and was amongst the youngest to receive the award. Kipling died in 1936 and is interred in Poets Corner in Westminster Abbey.

Users Review

From reader reviews:

Michael Coffman:

Do you have favorite book? Should you have, what is your favorite's book? Book is very important thing for us to learn everything in the world. Each publication has different aim as well as goal; it means that reserve has different type. Some people really feel enjoy to spend their time and energy to read a book.
