Editorial Review

Review

Endorsements of previous edition:

"The best textbook on the European Union to date. Period." -- George Tsebelis, UCLA

"Hix's admirably lucid exposition melds state-of-the-art theory and rich empirical detail into what is likely to become the leading text on how the European Union's everyday political process actually works." -- Andrew Moravcsik, Princeton University

"This volume has a rare combination of virtues: accessible for students and required reading for EU scholars." -- Gary Marks, University of North Carolina at Chapel Hill

Review

Endorsements of previous edition:

"The best textbook on the European Union to date. Period.' - George Tsebelis, UCLA.

'Hix's admirably lucid exposition melds state-of-the-art theory and rich empirical detail into what is likely to become the leading text on how the European Union's everyday political process actually works.' - Andrew Moravcsik, Princeton University.

This volume has a rare combination of virtues: accessible for students and required reading for EU scholars.' - Gary Marks, University of North Carolina at Chapel Hill.

From the Back Cover

The Political System of the European Union sets out an innovative way of analyzing, researching and teaching the European Union. Starting from the observation that the EU now possesses many of the attributes of modern political systems, Hix and Høyland argue that we should use the general theories of political science to help understand how the EU works. For each of the main processes in the EU political system – executive, legislative and judicial politics, public opinion, interest groups and democracy, and regulatory, monetary and foreign policies – the book introduces the key political science tools, reviews the relevant theories, and applies the knowledge in detailed descriptive analysis.

The third edition of this highly acclaimed and groundbreaking text has been fully revised and rewritten throughout. As well as incorporating new data and the latest research, it examines the consequences of key developments in the EU, from enlargement to the Lisbon treaty and the 2009 European Parliament election.

Users Review

From reader reviews:

Julia Hanson:

The book The Political System of the European Union (The European Union Series) can give more knowledge and information about everything you want. Exactly why must we leave the good thing like a book The Political System of the European Union (The European Union Series)? Several of you have a different opinion about e-book. But one aim this book can give many details for us. It is absolutely right. Right now, try to closer with your book. Knowledge or data that you take for that, you can give for each other; you can share all of these.
