## The Righteous Men By Sam Bourne

The righteous shall never be removed: but the wicked shall not inhabit the earth. . .

A teenage computer prodigy is mortally strangled in Mumbai. A far-right extremist is killed in a remote cabin in the Pacific Northwest. A wealthy businessman is murdered in Thailand. A pimp in Brooklyn is found stabbed to death and mysteriously covered by a brown shroud. What connects the victims is an ancient prophecy that leads to the end of the world, and it's up to Will Monroe, a fledgling reporter at the *New York Times*, to stop it.

But Monroe's investigation quickly makes him some shadowy enemies, who kidnap his wife and hold her hostage in Crown Heights. Desperate to find the link between the killings and to save his wife, he enlists his college sweetheart, TC, an eccentric artist and Kabbalah expert. As the death toll rises, they follow a trail of clues that seems to lead inexorably to a set of ancient texts containing a prophecy that promises to save the world—or to destroy it.

What will happen when the one secret that has kept the world safe for thousands of years is revealed to all? In *The Righteous Men*, a blistering thriller filled with mystery, romance, and suspense, Sam Bourne takes readers deep into the hidden worlds of fundamentalist religion, mysticism, and biblical prophecies. This is a visionary tale that is as frightening as it is entertaining. Readers won't stop turning the pages until the very end.

## Editorial Review

From Publishers Weekly

Bourne's first novel, with a jacket that promises ancient secrets and mysterious manuscripts, has all the obligatory religious-thriller elements. Unfortunately, his hero, fledgling *New York Times* reporter Will Monroe Jr., is clueless, the structure unoriginal, the code-breaking boring, the earth-shattering threat unbelievable and the writing often clumsy ("Will felt his eyes soaking with tears"). Will, while investigating his first murder story, discovers that the victim, a pimp with multiple stab wounds, has a heart of gold and is indeed a "righteous man." After Will writes about another righteous man's murder, Will's wife, Beth, is abducted. Will's search for Beth leads him to the insular Hasidic community of Crown Heights, Brooklyn, where he undergoes a bit of torture while learning the history of Judaism. Eventually, Will unearths a vast conspiracy whose goal is Armageddon, the end of the world. Bourne, the pseudonym of British journalist Jonathan Freedland, has done his homework, but the heavy breathing one senses is not the sound of captivated readers whipping through the pages but rather that of an anxious author frantically attempting to hammer his extensive research into the mold of bestselling fiction. *Rights sold in 24 countries.* (Sept.) From [Booklist](#)

Our pop-cultural obsession with *The Da Vinci Code* continues to breed more religious-historical thrillers. Bourne's novel, which draws its inspiration from the Jewish rather than the Christian tradition, is one of the better ones. Sent to cover two seemingly unrelated murders--of a New York City pimp and a Montana militiaman--ambitious journalist Will Monroe discovers something that piques his interest: both victims had a secret. Despite brutal deeds in life, each had done extraordinary good. Then Monroe's wife is kidnapped. His search for her takes him into the Hasidic Jewish community of Crown Heights in Brooklyn, where he first hears the legend of the 36 righteous men whose selfless acts allow the rest of us to exist--and learns that they are being systematically killed. Always twisting and turning, Bourne's novel takes readers on a dramatic, full-throttle adventure, which ultimately offers a timely spin on the question, "Can the end ever justify the means?" *Stephanie Zvirin*

Review

"READ IT. Sam Bourne has spun a highly-charged, theologically accurate tale."

## Users Review

**From reader reviews:**

**Noah Hansell:**

This The Righteous Men book is just not ordinary book, you have it then the world is in your hands. The benefit you have by reading this book is definitely information inside this publication incredible fresh, you will get information which is getting deeper you actually read a lot of information you will get. This The Righteous Men without we understand teach the one who reading it become critical in considering and analyzing. Don't end up being worry The Righteous Men can bring once you are and not make your bag space or bookshelves' turn into full because you can have it inside your lovely laptop even telephone. This The Righteous Men having fine arrangement in word in addition to layout, so you will not feel uninterested in reading.

**Harold Riggs:**
